CANCER

Physicians and friends could give little relief or encouragement to one afflicted with this terrible disease. Even now doctors know of no remedy for this fearful malady; while admitting it to be a blood disease, they still insist that there is no hope outside of a surgical operation, and advise you to have the Cancer cut out, a blood disease, they still insist that there is no nope outside of a surgical operation, and advise you to have the Cancer cut out, but at the same time cannot assure you that it will not return. You may cut or draw out the sore, but another will come in caustic, flesh-destroying plasters. The blood—is deep-seated and destructive, and beyond the reach of the surgeon's knife or matter before the Cancer sore will heal.

S. S. S. is the only medicine that can overcome this powerful and contaminating poison and force it out of the blood. It an it; the roots and herbs from which it is made contain powerful purifying properties that act directly upon the blood system and make a safe and permanent cure of Cancer. It has cured thousands, why not you?

Cancer is not always inherited; your family may be free from any taint, yet your blood may become so polluted that a severe

Mrs. R. Shirer, La Plata. Mo., writes: "A small pimple came on my jaw about one inch below the on the left side of my face. At first it gave me no trouble, and I did not think it was anything serious into the flesh, and gave me intense pain. I tried everything I could hear of, but nothing did me any now no sign of the disease. This was two years ago, and I am still enjoying perfect health."
